All Saints

All Saints

As grains of sand, as stars, as drops of dew,
Numbered and treasured by the Almighty Hand,
The Saints triumphant throng that holy land
Where all things and Jerusalem are new.
We know not half they sing or half they do,
But this we know, they rest and understand;
While like a conflagration freshly fanned
Their love glows upward, outward, thro' and thro'.
Lo! Like a stream of incense launched on flame
Fresh Saints stream up from death to life above,
To shine among those others and rejoice:
What matters tribulation whence they came?
All love and only love can find a voice
Where God makes glad His Saints, for God is
Love.

Helping with the new sound system We will need to replace our wireless microphones later this year because the government will be taking over our former airwaves in order to make the new 4G cell phones possible. The cost will be at least \$1,500. Already we have received a parishioner donation of \$200 and a generous \$250 from Friends of the Opera towards this, all gratefully received. If you can you help with this important project, donations can be handed to the Vicar or Wardens.
