From the Vicar

The mornings are getting darker and I'm finding it a bit difficult to spring out of bed with my usual enthusiasm, although the cooler nights are pleasant.

The apple tree is being harvested and the hedge is almost trimmed. We have wonderful new lighting in the church, people are returning to meetings in the hall and our garage sale is in April. Things change and things stay the same.

Our coming AGM will recognise people who have given a lot of their time to St Peter's and, hopefully, welcome new members who wish to take on roles of service.

This year should see many things remain the same, such as our forms of services, inclusivity and celebration, and others things change, such as building repairs and maintenance, social activities and Bible studies. Please feel free to offer suggestions in how St Peter's can continue to be a blessing to those who share in this precious space. Natalie.
