## The Pebble

Sunday April 16, 2023

Easter 2

Eternal Father,  
through the resurrection of your Son,  
help us to face the future  
with courage and assurance,  
knowing that nothing in death or life  
can ever separate us from your love.  
This we ask through the same Jesus  
Christ our Lord.

AMEN

## *From the Vicar*

Dan and I spent some time walking through the Botanical Gardens and I was delighted to hear and then later see a tui. My first experience of one was on Stewart Island and I'm thrilled to know that they actually live closer to Caversham. I'd very much like to entice a family to come and live at St Peter's, to enjoy their songs.

I'm hoping to begin some extensive rearranging of plants soon, in an attempt to reduce weeding and enhance the variety of plants we have. St Peter's is, and should continue to be, a beautiful green space that attracts people and wild life.

This work will be in conjunction with the work required on and around the church and vicarage. I would greatly appreciate the gardeners in the congregation to share some of their expertise and also babysit some plants that may require transplanting.

The property surveyors will be on site early in May and I hope we can start clearing around the church in June and July. We have been booked for two weddings in September and it would be lovely for the bridal parties to enjoy the beautiful surroundings of St Peter's.
